

## INDUSTRIES PAGEANT GIVEN BY CHILDREN

Nearly Five Hundred Students at Perley School Take Part in Big Spectacle Presented at High School Building.

Nearly 500 children participated in the Pageant of Industries given by the students of the Perley school at the high school auditorium Friday night. Under the tutelage of Mrs. Maude Jackson of Chicago, the children had been trained to a splendid degree of perfection and the drills and exercises were gone through without a hitch.

Uncle Sam calls a review of the industries, so the story of the play goes, showing the development of the United States in the last 100 years. He has invited "Progress" and "Liberty" who preside with "Columbia" over the festivities of the pageant. "Art," "Industry" and "Invention" are guests of honor, and they bring with them "Agriculture," "Mining" and "Manufacturing," who demonstrate to Uncle Sam the progress of the nation. "Agriculture" is under her protection "King Corn," "Queen Wheat," and "Prince Flax," of whom are guests at the pageant.

Art Also Present.

"King Cotton" with his army of clever workers is present, as is also "Art," who gives some graceful poses for Uncle Sam. "Mining" invites "King Coal," "King Iron," "Gold," "Silver," "Copper," "Platinum" and "Diamonds." "Industry" adds her beauty to the pageants, giving "Columbia" a wonderful "Harvest Home."

The auditorium was crowded to its capacity, and it is said that nearly every seat was sold. Music was furnished by an orchestra composed of Frances Harrington, Imogene Ashman, A. Engle and R. Ingraham. Following are the names of the children that took the principal parts in the various drills and ceremonies: Columbia, Mary Sweeney; Uncle Sam, John Lockey; "Agriculture," Dunlap; "Progress," Gladys Rae; "Art," Florence Narrengang; "Industry," Anna Voelkel; "Invention," Walter Johnson; "King Iron," Charles Hosler; "King Coal," Bennie Hickey; "King Corn," Wilbur Deal; "Queen Wheat," Helen Peters; "Cotton," Willard Taylor; "Prince Flax," Herbert Miller; "Electricity," Carleen Lederer; "Colonial Boy," Albert Evans; "Colonial Girl," Helen Siens.

## TEN CAUGHT IN DEBRIS WHEN WALL COLLAPSES

Rear of Seven Story Building Gives Way and Workers Are Carried With It.

CEDAR RAPIDS, Ia., Nov. 15.—The rear of a seven story concrete building nearing completion collapsed Friday afternoon, carrying with it 14 men who were working on the roof slab. Four were taken from the ruins severely injured, and the others are believed to be buried beneath a mass of concrete and twisted steel used in the reinforcement.

Hundreds of men were working Friday night with axes and shovels and with the aid of a big steel derrick removing the debris in a search for the bodies.

The four men taken from the ruins were located soon after the building fell. They were pinned fast but not injured and their cries attracted the rescuers.

## DOESN'T WANT AN OFFICE

NEW YORK, Nov. 15.—"I have no taste for public office and I do not expect to take public office. It is more fun to get offices for other people than to hold them myself."

## MAN HAS LIFE HALF A MILLION YEARS

NEW YORK, Nov. 15.—Dr. Louis J. Williams of London, an eminent authority on anthropology and geology, arrived Friday from Liverpool with 15 skulls of prehistoric man, one of which he estimated to be 500,000 years old. This skull was found by workmen near Folkestone, Eng., in strata antedated prior to the Pleistocene era and its existence and discovery have confirmed Dr. Williams in the belief that mankind is at least half a million years old.

Dr. Williams said that the finding of these ancient skulls and other human bones did not disprove, in his opinion, the popular theory of evolution but altered it in some degree. Instead of man being a descendant of the ape, Dr. Williams said, these skulls tend to confirm the belief that the anthropoid ape was an offshoot of the chief distinctions between these skulls and those of apes, he said, was to be found in the teeth.

## PROPERTY LOSS FIVE MILLION; 256 PERISH

For the First Time Since Sunday, a Day Has Passed Without Revealing Any More Deaths From Lake Storm.

PORT HURON, Mich., Nov. 15.—For the first time since Sunday a day has passed without revealing more lives lost in the storm which overwhelmed the great lakes the early part of the week. Only one additional boat disaster developed Friday and that was the wrecking of the steamer Major off Whitefish point in Lake Superior. She was abandoned by her crew Thursday night after a futile effort had been made to weather the second storm of the week. The crew was picked up by a passing steamer.

Friday night the life loss among sailors is estimated at approximately 256 and the property loss is figured at more than \$5,000,000. The property loss includes the score or more of vessels driven on the rocks or shore, and partially or totally destroyed. One hundred and ninety-five lives were taken on Lake Huron if the approximate figures are correct; 48 lives were lost in Lake Superior, seven on Lake Michigan and six on Lake Erie.

The steamers, the destruction of which entailed the loss of more than a million dollars, were the John A. McGeen, Charles S. Price, James S. Carruthers, Regina, Wexford, Argus, Hydus, Scott, Leaflet, William Nottingham, Henry B. Smith, Plymouth and Lightship No. 82.

One of the strangest features of the general disaster is the mystery surrounding the identity of the overturned vessel in Lake Huron just a few miles northeast of here. A diver went out again Friday, hoping to learn the name of the boat, but high seas again prevented his work. Practically everyone acquainted with the situation believes the vessel is either the Price or the Regina.

## CORSETS AND BELTS BLAMED

Both Press Too Tightly on Stomach and Are Responsible For Many Ailments.

CHICAGO, Nov. 15.—Tight corsets on women and tight belts for men are constant causes of serious ailments of the stomach, according to surgeons who saw Dr. Herbert Patterson of London perform an operation to provide a new outlet for a stomach to replace a badly abused pylorus, which had become inactive. The operation was on a woman and the inertness of the pylorus, surgeons said, was chiefly due to tight corsets.

Patterson cut the intestine a few inches below the pylorus and made a hole in the side of the stomach nearest the intestine, producing a new pylorus.

College boys who wear belts tightly strapped around the abdomen take equally grave chances of stomach disorders, according to the physicians. Dr. John B. Murphy of Chicago was chosen president of the clinical congress of surgeons of North America at the annual election, London, England, was chosen for the 1914 meeting, which will begin on July 26. George E. Armstrong of Montreal, Can., was elected vice president. Other officers were re-elected.

## MAN SHOTS WIFE; IS THEN KILLED BY SON

Boy Claims Parent Had Made Threats and Always Slept With Shotgun at His Side.

CLEVELAND, O., Nov. 15.—Lewis Van Loven, 68, a farmer living at Harpersfield, near Geneva, O., shot and instantly killed his wife late Friday and then was killed by his son, Matthew, 17, in self defense. Young Van Loven surrendered to the police.

According to the story told the police by the boy and his 19-year-old sister, their mother was killed while sitting in the kitchen. The elder Van Loven fired almost point blank at her and then attempted to kill the boy and his sister. The boy succeeded in tearing the shotgun away from his father and then brought down the heavy stock of the weapon on his father's skull, killing him instantly.

Young Van Loven said his father had threatened several times to kill the whole family and always slept with a shotgun by his side.

## "STARVING TO DEATH"

Was Mrs. Bell, of Florida, When She Began Taking Peruna

"Yes, I was starving to death," said Mrs. Emma Bell of Fort Pierce, Florida, box 204, "when I began to take Peruna. I could not eat anything. If I swallowed anything it soured on my stomach. My stomach was very much swollen. My bowels acted as if I had acute dysentery. I was in great distress and pain. Three doctors had been employed, but gave me no relief. I was continually growing worse."

### I Was in Despair

"In my despair I caught at every straw. Picking up a newspaper I saw some account of Peruna. There was a testimonial from a woman who had been troubled much like myself. I concluded to try Peruna."

### I Wrote to Dr. Hartman.

"At the same time I wrote to Dr. Hartman. He pronounced my case catarrh of the stomach and bowels. I soon began taking Peruna. At once I began to improve. After taking half a bottle my stomach was so improved that I could eat some."

### I Began to Recover.

Then this good housewife goes on to narrate in detail her rapid improvement and final recovery. She said: "After taking two bottles of Peruna I was strong enough to stand up to wash the dishes." When she began taking Peruna she weighed 102 pounds. After she had taken five bottles of Peruna she weighed 122 pounds. She concludes by saying that she is well.

### It Was Twelve Years Ago.

The letter from which the above quotations were made was received January 29, 1901. In a later letter, written September 11, 1901, she says, "I sing the praises of Peruna far and near. It is used a great deal in our vicinity. This seems to be a bad place for catarrh." We have received letters from her since. The last time

we heard from her, December, 1912, she was still a friend of Peruna.

For other testimonials on catarrh of the stomach, see "Hills of Life," sent free. Address Peruna Co., Columbus, Ohio.

The stomach and bowels are lined with a mucous membrane. They are therefore subject to catarrh, the same as the nose and throat. Catarrh of the stomach and bowels will derange the functions of these organs. The stomach can no longer digest food. The food lying in the stomach, even for a short time, without digestion, immediately sours. The souring produces gas and indigestion.

### Food Sour in the Stomach.

A portion of the undigested meal is absorbed into the system by the blood vessels of the stomach. This poisons the whole system, producing a condition now known as auto-intoxication; self poisoning. The fermenting, irritating mass, as it passes down into the bowels irritates the bowels, producing sometimes a chronic diarrhea, sometimes producing the very opposite, constipation.

The average dyspepsia medicine helps to artificially digest the food. Even when such medicine does its work it is only temporary. A permanent relief can only be expected when the catarrh is overcome.

### Symptoms of Catarrh of the Stomach.

The symptoms of catarrh of the stomach are: First, heartburn. Second, food rises in throat after meals. Third, sour stomach. Fourth, heavy feeling after eating. Fifth, stomach bloated, belching of gas. Sixth, palpitation of heart. Seventh, poor digestion, have dyspepsia. Eighth, tongue coated light brown. Ninth, tenderness over pit of stomach. Tenth, cannot bear tight clothes around waist.

### People who object to liquid medicines can now obtain Peruna Tablets.

## GIRL CLAIMS SHE WAS DOING A MAN'S WORK

ELKHART, Ind., Nov. 15.—Alleging that she has worked for Amelia Painter since she was 14 years old and is now 25, Jessie Neice has filed suit in the superior court for \$1,200, basing her claim on a wage of \$5 a week. She is represented by P. L. Turner.

The complaint alleges that Miss Neice was with Mrs. Painter on a farm, "doing a man's work" until two years ago, when Mrs. Painter purchased a hotel at New Carlisle, where she operated five months and then came to Elkhart, conducting the Pleasant View place on N. Main st. for a time. Miss Neice remained with her until Oct. 3, last, and it is averred, has never been paid for her services.

## INCLUDES CONTRIBUTION AS A PART OF EXPENSES

ELKHART, Ind., Nov. 15.—Do nominees "contributions" to the campaign committee—"assessments" they were called in the old days—come under the head of the candidates' expenses which the Indiana corrupt practices law requires shall be sworn to within 30 days after an election?

Councilman A. R. Gildea, who on the democratic ticket went down to defeat at the last Elkhart city election, included in his affidavit filed with County Clerk Aitken, the item, "campaign contribution, \$10."

Other nominees who have reported did not. It is said there is some doubt as to whether that item is required under the law, although it is difficult to understand why the law should not include that as well as other campaign expenses.

## MAKES ARRANGEMENTS FOR FUNERAL SERVICE

ELKHART, Ind., Nov. 15.—John Guipe, aged 88 years, who had been a resident of Elkhart since 1850 and was generally known throughout the city and county, succumbed to the infirmities of age at the home of his son, H. L. Guipe, 411 N. Second st., at 10:40 o'clock Friday morning. He had been bedfast since April 16, following an injury to one hip in a fall.

Mr. Guipe some months ago prepared for the final summons by selecting the texts from which his funeral sermon is to be preached, naming the pallbearers and making other suggestions as to the conduct of the service. The texts are: "For I say unto you, that except your righteousness exceed the righteousness of the scribes and Pharisees, ye shall in no case enter into the kingdom of heaven," and, "Henceforth there is laid up for me a crown of righteousness, which the Lord, the righteous judge, shall give me at that day; and not to me only, but unto all them also that love his appearing."

## CHINESE NIGHT HELD AT THE FIRST BAPTIST

Every Feature Even to the Menu and Decorations Carried Out the Central Idea.

An unique entertainment which delighted the large number of guests present was given Friday evening in the parlors of the First Baptist church by the members of Mrs. T. A. Freeman's section of the Ladies Aid society. It was a "willow plate" social, a Chinese entertainment in which every feature contributed to the central idea of the affair.

At the door each guest was presented with a willow plate and after all had assembled, Mrs. J. P. Brownlee told in an interesting manner the story of the "willow plate," which each guest was able to follow in pictorial form in the plates themselves. A Chinese dinner party followed at which were served rice pudding, tea cakes, tea and chocolate. According to Chinese custom, riddles were told during the meal. The young

girls who served it were dressed in costume. The parlors were attractively decorated with Chinese flags and dragons and other appropriate emblems. Piano solos were given by the Misses Agnes White and Dorothy Chard.
